COMMISSIONER FOR PATENTS  
WASHINGTON, DC. 20231

**INFORMATION DISCLOSURE STATEMENT**  
Under 37 CFR §§ 1.56 and 1.97-98

SIR:

Pursuant to the provisions of 37 C.F.R. §§ 1.56 and 1.97-98, enclosed is modified form PTO-1449 listing references for consideration by the Examiner. It is respectfully requested that these documents be considered by the Examiner and an initialed copy of each form be returned to the undersigned.

According to 37 C.F.R. § 1.98(d), a copy of any patent publication, or other information listed in an information disclosure statement is not required to be provided if it was previously cited by, or submitted to, the Office in a prior application, provided that the prior application is properly identified in the statement and relied upon for an earlier filing date under 35 U.S.C. § 120.

This application is a continuation-in-part that relies upon an earlier filing date from patent application serial number 09/459,493, under 35 U.S.C. § 120. All of the references cited in the present application have already been cited in the parent application. Thus, Applicants believe that under 37 C.F.R. § 1.98(d), the copies of the cited references do not need to be provided herein because the Examiner can obtain the same from the parent file.

If, however, the Examiner would like separate copies of these references, the Examiner is respectfully requested to call the undersigned for the same.

The filing of this Information Disclosure Statement shall not be construed as a representation regarding the completeness of the list of references, or that inclusion of a reference in this list is an admission that it is prior art or is pertinent to this application, or that a search has been made, or as an admission that the information listed is, or may be considered to be, material to patentability, or that no other material information exists, and shall not be construed as an admission against interest in any manner. Some of the documents may have markings thereon. No significance is meant to be attached to the markings.

The Information Disclosure Statement submitted herewith is being filed before the mailing date of a first official action on the merits. Therefore, no fee is required for the consideration of the accompanying Information Disclosure Statement. However, if any fee is due, the Commissioner is hereby authorized to charge payment of any such fee to Deposit Account No. 19-2555.

Consideration of the listed references and favorable action are solicited. The Examiner is respectfully invited to contact the undersigned attorney for any additional information.

Respectfully submitted,  
MOSHE B. RUBIN AND MOISHE HALIBARD
